VISIONS of Kickball Dance Through my Head (and on Verna's Lap)

By Po Boy

Initially, I was going to write my article about being rained out and stranded at Finn's last week. I did some A+ reporting and chatted with the likes of IVtran, IV2nette, Janel, and Sam n Eric, but unfortunately, my drunk ass lost all my notes. Then I was going to write about the game, but Snatch said she had that covered, which was fortunate because I don't really remember it anyways. Except props out to Mike Miller's underwear and the dry spots under the Beaver's breasts to help me see again. I could also have written about the kickball trip to the quarter to see the Morning 40's, but quite frankly, I don't really remember that either, thanks to a large quantity of Jagermeister consumed in the form of the Gentleman's Juicebox. Instead, I chose to write about the second kickball field trip to Visions.

To remind everyone about the first trip: the hottest stripper on the table donned the Wyooter Hooter cap, touched my breast and gave jIVE a decent number of lap dances. This week, the 69'ers and the Furies were representing as we had a crowd including the Nipple Nibbler, Sophia, Dave, Danimal, Verna and the Col. Ingus. Verna and the Nipple Nibbler had lap

dances (=hot.com!), and when the Nibbler put a one in a stripper's thong she turned and said, "We don't take it in the T-Bags here." And then apologized for being new and not knowing the rules (and, just to note, Verna was off on her lap dance at this time).

I took some drunken notes from this expedition, which I am just going to leave some excerpts from: "Po Boy + Maria LOVE Brandy dot com/she rocks.html". (That, by the way, is a true story). Question of the week: VISIONS = the hottest place to wed OR the hottest place to renew your vows?? "Maria + Po Boy = above bathing suits with attached belts." "Brandy = Killa Beer = A Trent Da Thrill MA GILL shows up at Finn's SOME OF A BITCH THAT FuCKING THRILL" (note: this was really at Mick's).

A concluding thought: at kickball a few weeks ago, IVnicus shook my head promising to come on a trip to Visions some time in the future.

Spotlight: An Interview with El Dan Magnifico

New to kickball this season on IV is El Dan Magnifico, or IV Shizzle. You may know him as that dude who doesn't play kickball that posts stuff on the kickball message board about the OC. Or you may not know him at all.

Po Boy: How did you get your name?

El Dan: My favorite rapper Coolio attempted to change his name to El Cool Magnifico around the time it became cool for rappers to have forty different names, but no one noticed, so I stole it from him. Coolio can now be seen on such reality shows as Fear Factor and Surreal Life.

PB: What is your favorite kickball team (besides IV)?

El Dan: The Furies had me at Warriors reference. We'll stop the bunt next time.

PB: What is your favorite position?

El Dan: Helicopter....

<http://dickcream.com/h/04/0329>

[I checked out this website to view the helicopter with my own eyes, and I must say that this is a worthy URL to visit.]

PB: Dobry or Sweems?

El Dan: I lust for no bear.

[Dan's initial response to this question was "Sweems with the Irish accent".]

PB: Say the first thing that comes into your mind: Nathanael and Dobry riding on a scooter together.....

El Dan: Dumb & Dumber....."Just go man!!"

[Dan's initial answer to this question was "Bear Lust...I got to concentrate on driving!"]

Po Boy: What is your favorite thing about kickball?

El Dan: It gives lonely Jewish kids like myself something wholesome to do on a Sunday.

Po Boy: What is your least favorite thing about kickball?

El Dan: Mondays

[I conquer!]

Po Boy: If you could change anything about kickball, what would you change?

El Dan: I wish the field and kegs were a little farther away from that police department building thing. If they ever decided to pull over drunks it would be fish in a barrel.

Po Boy: What is your favorite bar in New Orleans?

El Dan: TJ's until I look old enough to pick up college girls at The Boot.

Po Boy: What do you think about the Boot?

El Dan: I almost got arrested for using my real ID there because NOPD thought no one over 21 goes to the Boot and my ID was therefore fake. No love for the Boot.

Po Boy: Who would you rather sleep with, Toni or Snatch?

El Dan: Pussy's pussy. Ummm, don't print that or I'll never get any kickball action.

hIV: A Jew and an Arab are stranded on a desert island and you can only take one, which one do you pick?

El Dan: The Arab, I hate Jews.

Spotlight Interview is a new idea for the kickball newsletter. If anyone has any recommendations on a good person to interview, feel free to tell me! I have no idea who to interview for next week...

Announcements

- Nathanael’s band Shut Up!!! is playing this Tuesday night, July 12, at the Hi-Ho Lounge at 10 PM for punk rock ladies night. This would be an excellent opportunity to check him out with the electric mandolin! Ha ha.
- M.I.A. One orange hunting cap that reads “Wyooter Hooter”. In a maze of having it returned to me multiple times and putting it places for safe keeping, I now have absolutely no idea where the hat is, and it is very important to me.

And The Last Word Goes To?

I would love to represent as many people as possible here in the newsletter, so any submission, quote from kickball, announcement, lost and found article, etc. WILL be printed in the newsletter if either emailed to me at poboy@kocckickball.com, or given to me in person. Kickball is NOT about censorship, so anything goes!

Check out the K.O.C.C. kickball website...

Today’s drinking festivities take place at the **Balcony Bar**, and props out to them for tolerating our drunk asses in their bar!
